*No Excuse, Stop Misuse*

**Paper Wind Mill/Fan**

**Class Activity**

**Date-** 14.12.2022

**Classes-** I-II

**Time-** Zero period

Simple toys make room for a child's constantly evolving perspective of the world, encouraging more creative and complex play as they learn and grow. Simple toys like rotating fan will provide students with an opportunity to learn about wind and rotation while they play with the toy.

**Rules:**

1. Participation of all students is mandatory.
2. Students will prepare a small rotating fan using paper and pencil.
3. Items required:
  - Three paper strips of different colours: 2 cm width and 21 cm of length.
  - Pencil for rotation.
4. The class teachers will help students in assembling the strips.
5. All records of participation will be maintained on a nominal roll and handed over to the D section teacher.
