

NATIONAL MATHEMATICS DAY-2022

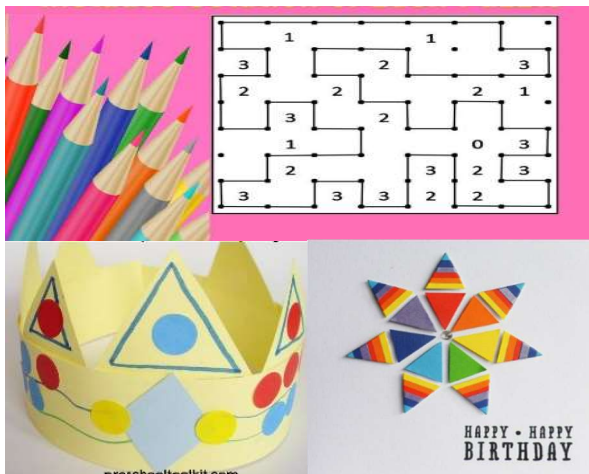

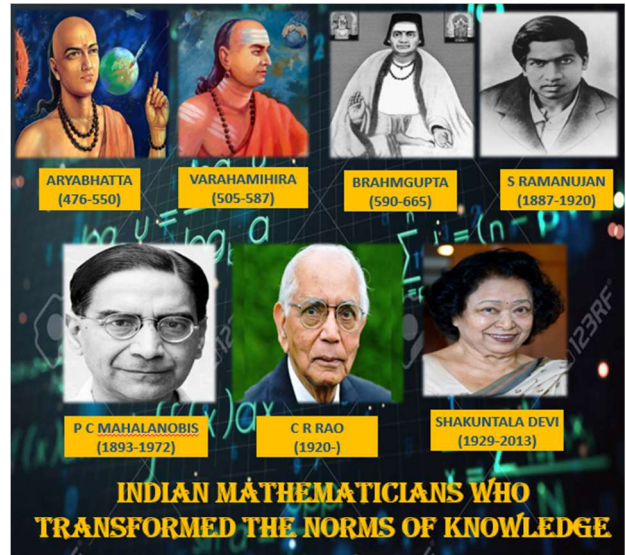

Dear Parents,

In India, the National Mathematics Day is observed on December 22 every year. It is celebrated in order to honour the birth anniversary of the famous Mathematician Sir Srinivasa Ramanujan. He was the world-famous Mathematician who made remarkable contribution in different fields and branches of Mathematics.

National Mathematics Day is celebrated with numerous educational events, competitions and quizzes.

The competitions are basically intended to develop the knowledge of students in the field of mathematics. With an objective to pay a tribute to the legendary mathematician and spread the joy of learning and understanding of Mathematics, Bal Bharati Public School, Noida is conducting a special activity day. We shall have class wise short fun-loving Mathematical Activities.

The following activities are proposed to celebrate National Mathematics Day on 22 Dec, 2022 (Thursday).

- For Pre-Primary
At Ramanujan's Birthday Party: Crown making activity.
- For Classes I & II
Ramanujan's Birthday Card: Card making Activity
- For Classes III To V
Think Like Ramanujan: Math Genius Puzzle Worksheet.
- For Classes VI To VIII
Begin Like Ramanujan: Loop the Loop Worksheet.
- For Classes IX, X and XI
Advance Like Ramanujan: Sudoku puzzle.

We look forward to the active participation from our students and expect parent Community to prepare their wards at home.

Best of Luck !
