

PI HUNT – INTERHOUSE COMPETITION

DATE /DAY: 25.11.22 (FRIDAY)

DURATION: BAL SABHA PERIODS

VENUE: Mont Courtyard

CLASSES: VI- VIII

NO. OF PARTICIPANTS: 3 PARTICIPANTS
(ONE FROM EACH CLASS)

DESCRIPTION: Pi – Hunt is a group activity in which each team will be given a series of clues in the form of mathematical questions. The answer of each question will represent a venue where the next question is hidden. In the first-round students have to recite the value of Pi in 30 seconds. The team who will recite the value of pi to maximum place will get the head start in the Pi- Hunt.

RULES AND REGULATIONS

- Each team must solve the question correctly in order to collect their next clue.
- Team who will take shortest time to collect and solve each question will be the winner.

CRITERIA FOR JUDGEMENT

- Time taken
- Accuracy

Convenor: Vaishali Mittal (TGT Mathematics)
