### **SYNOPSIS OF THE ACTIVITY CONDUCTED:**

Conservation of Heritage sites and buildings provide a sense of identity and continuity in a fast changing world. It represents the culture and legacy of a nation. Because of natural and anthropogenic causes many heritage sites in India are declining.

In this activity students, briefed about any one heritage site of India and various methods to conserve them in form of a role play. They exhibit their knowledge about the various heritage sites of India, their brief history, significance and different ways to conserve them. Students showcased their creativity, coordination and enhanced their communication skills.
