WINTER HOLIDAYS WORK

CLASS I

THEME - 'Our Earth'

THEME - OUR EARTH

“The earth has music for those who listen”- William Shakespeare

Dear Students,

Earth is like Our Mother. It is the only planet which supports survival of living beings. Our life is not possible without the Sun, water, plants and air. Earth’s surface is covered by land. Mountains, hills, valley, desert, plateaus, and plains are the major types of landforms on Earth. Our Earth teaches us different values in our lives. Mountains teach us to be strong, invincible and stand tall. The vastness of the desert makes you totally aware of your place in the universe. Learning about our Mother Earth can be a lot of fun! Here are plenty of interesting activities planned for the students to learn more about Our Earth during the winter break.

Students are requested to read the detailed instructions carefully for each subject. The Integrated Project mentioned in the winter holiday homework will be considered for assessment under Integrated Project (Round 4).

Kindly follow the schedule for submission :
