

REPORT ON VIRTUAL INTERNATIONAL COLLABORATION WITH CROATIA

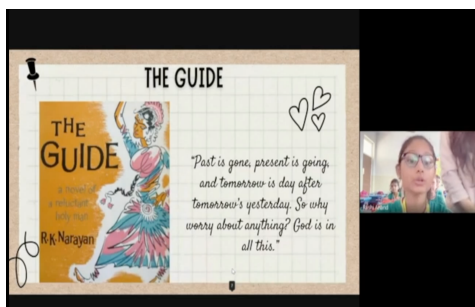

"If everyone is moving forward together, then success takes care of itself," - Henry Ford

Celebrating R.K. Narayan week Croatian students from IV. Vrazdin Private Primary School and Indian students from Bal Bharati Public School, Noida decided to research and present their findings of the Indian author- R.K. Narayan, and his achievements.

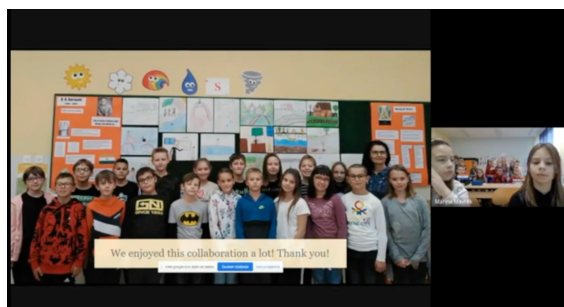

In the second week of the month of October, the students from both Croatia and India discussed his works, famous quotes, teachings, and books. They exchanged many unique facts and learned so much about the acclaimed R.K. Narayan through videos and PowerPoint presentations.

The session ended on an artistic note wherein the students were engaged in a cartoon-making session by Mr. Faiz. He taught students the right technique to make cartoons to support their self-composed stories. All the representatives along with the students witnessing the show participated enthusiastically and made this alliance memorable and noteworthy for everyone.
