

Circular No.111/2022-23

Date : 30 Jan, 2023

### **CHARTING YOUR CAREER IN GRADE – XI**

Dear Parent,

Selecting a stream after Class X is a challenging task for many and can be simplified if we make the students aware of their strengths, interests and aptitude. Unfortunately many parents neglect this aspect while selecting the stream for their ward. It has been observed that the parents force their children against their will and interest to take up Science or Commerce stream. Several requests for changing the subjects are received at the end of the session in Class XI due to downfall of academic performance of the students.

The numerous disciplines that exist under the umbrella of Humanities are either left unnoticed or are overlooked while choosing the right stream after Class X. The transformation from STEM to STEAM is still not recognized by most of the parents even when the Govt. has implemented the NEP 2020 that emphasizes the importance of Humanities in all disciplines. The multicultural competencies, High Order Thinking Skills (HOTS) and 21st Century Skills all align well with the Humanities Discipline through the learning of Literature, Fine Arts, Legal Studies, Entrepreneurship, Physical Education and many more.

In our endeavour to provide career guidance to our students, the school is organising a workshop on 'Career Guidance' for the parents and students of Class-X (2022-23) on 31 Jan, 2023 (Tuesday) at 08.30 a.m. in the school Auditorium. The guidance about making informed career choices specially in Humanities will be provided by the Resource Person from Ashoka University, Sonapat. This is indeed a unique opportunity for your ward to participate and get informed about various career options. Parents and students are requested to reach the venue by 08.30 a.m.

**IT IS MANDATORY FOR ALL THE PARENTS AND STUDENTS TO ATTEND THE SESSION.**
