

## REPORT ON VIRTUAL INTERNATIONAL COLLABORATION WITH POLAND

*"If more of us valued food and cheer and song above hoarded gold, it would be a merrier world." -J.R.R. Tolkien*

Inquisitive about the differences in the cuisines and eating habits in the east and the west, students of grade IV of Niepubliczna Szkoła Podstawowa im. Juliusza Verne'a and Bal Bharati Public School, Noida decided to collaborate to showcase the different cuisines that are relished in the different parts of their countries.

The Indian students enthusiastically prepared an elaborate presentation on **25 November, 2022**. They showcased the famous cuisines of North, South, East and West. They even dressed up as per the Indian culture and presented the famous dishes like Chole Bature, Idli Sambar, Momos and Dal Bati Churma from all the corners of India.

The alliance turned out to be a success with the active participation and appreciation by the Polish students and teachers. The Polish students guessed the names of the different dishes and learned to pronounce their names as well. The enthusiastic response to the online quiz made the alliance memorable and noteworthy for everyone.
