

SCHOOL TRANSPORT

Dear Parent

The School provides transport facilities to students for selected areas/sectors across Noida, Indirapuram and Delhi.

Also, the school operates a fleet of Outsourced and School owned buses on 23 routes for students of classes I-XII and 6 routes for Pre Primary School.

The deployed buses conform to all safety norms i.e. CCTV, GPS, Fire Extinguishers, First Aid Kit, emergency exit and experienced staff. Each bus has staff that includes Driver, Helper, Lady Guard /School Teacher till the last Stop. The School transport is GPS enabled so that the School and Parents can monitor the movement of buses.

The route planning is done for **Main Arterial Roads** and buses do not go into narrow colony roads. The buses have limited stops to ensure timely arrival at school and reducing the travel time taken by students.

As we commence planning for the next academic session, 2023-24 we request the parents of Classes I to XII desirous of availing transport to fill up the Survey Form.

The details of existing bus routes along with the bus stops, the timings and the charges payable are given in the link for information of parents.
