"Books and doors are the same thing. You open them, and you go through into another world."
-Jaenette Winterson

World Read Aloud Day is observed on 2nd February all over the world. This global literacy movement is about taking action to show the world that the right to read and write belongs to all. To celebrate this day, the primary wing from classes I to IV, during their Bal Sabha Activity DEAR, dropped everything and dived into the world of reading.

The activity was conducted to provide pleasures of reading. The children were asked to bring their favourite books to read. Books like Charlie and the Chocolate Factory, Fantastic Mr Fox, Wise and Otherwise were some of the beautiful books carried by students. The Reading Activity was followed by the discussion led by the class teachers where students spoke about the best part of their books. Indeed, the activity opened the doors to the world of reading.
