FOR PARENTS OF PASSING OUT (CLASS-X)

Dear Parents,

A noticeable trend of shifting out students after Class X to Delhi Schools in Class XI has been observed with the parents this year. This is to inform that now shifting out is of no consequence, since all the prestigious competitive exams are held on an All India Basis and the merit list is prepared accordingly.

Moreover, speaking from my past experiences, a new school, new staff and new peer influence does have an impact on the emotional quotient of the child. Many students who applied for TC in the past during the month of March have returned to school in July-Aug because the adaptability to new situation and new teachers was tough for the child in transit.

Parents are requested to take a conscientious decision in the best welfare of their ward(s).
