Visit to the Food Processing DFM Foods

Class: IV

Date: 09/02/2023.

No. of students: 20

Teacher coordinators: Ms Dhanya P
Ms Yasha S

Arney's Fitkids-A unit of Adaavi Enterprises- lead and implementation partner- *FSSAI (Food Safety and Standards Authority of India)* in collaboration with **CRAX- DFM Foods Pvt. Ltd.** sent an invite to the school to join the CRAX Responsible Indulgence Drive campaign, a part of FSSAI's **EAT RIGHT SCHOOL MISSION**.

As a part of this drive students of Bal Bharati Public School, Noida, were invited to visit DFM-Crax Food Processing Unit, Greater Noida on 9th February 2023. The visit was an educational and tasty experience for the students.

Entering DFM Food

When we reached the processing unit, students exhibited great enthusiasm and portrayed curiosity. Students were greeted by the working unit and were led to induction session.

Induction: How and where?

During induction students were a part of discussion on various activities conducted under CRID in school. Various processes like fetching raw material, filtering, processing, categorising, cost, and packaging were introduced. Towards the end students were offered refreshment.

Visiting Quality Check Lab

After induction students were given safety gear like hair and mouth mask. Next on tour was QC lab of Crax Food. Students witnessed the corn to Crax processes up close.

Freshly produced products were brought in the lab for tasting. Students tasted products like *Nathkhat*, *Curls*, *Rings and Sticks*.

Reflect and feedback

Students were made to sit facing each other and discuss their experience with everyone. CRAX staff also asked the students about anything new that they feel should be launched next. Students gave many innovative ideas and provided constructive feedback.

The visit to DFM food was exciting and enticing. Knowledge of food industry provided our young learners vocational education and opened gates to various career roles. With knowledge of various healthy food processing, we surely aim to select healthy and tasty snacks.

A group picture to remember this unique and tasty visit.
