

SAFETY GUIDELINES FOR CHILDREN TRAVELLING BY PRIVATE VANS

Dear Parents,

Kindly note that the school has streamlined the transport and the 06 Pre Primary bus routes and 25 Senior routes have been finalised after incorporating requests received from the parents. The school does not encourage the use of Private Vans as the means of ferrying children to and from school because of safety concerns.

However, some parents have opted for Private Vans for ferrying their children to and from school. It is requested that such parents, go through the safety guidelines, to be followed by Private Vans.

- ❖ Ensure the Cab / Taxi / Van is registered with the Transport Department under the School Cab Scheme of the Private Motor Registration Act.
- ❖ To ensure the safety of children, the vehicle registered under the scheme should be equipped with safety features including Speed Governors, GPRS Devices, Fire Extinguisher and a First Aid Box.
- ❖ As an additional safety measure, it is mandatory for the van operators to maintain a record of all the school children being ferried, classwise along with details of parents like phone numbers. (The importance of this is that this data can be shared with the Police for quick action in case of an emergency to ensure safety of a child).
- ❖ Parents hiring such transport for their wards should also know the details of the owner and driver (Residential address / Police verification details of the driver/ Mobile Nos (Personal & Residential) both).

Further, the parents are also required to ensure the following:

- ❖ Private Vans, usually transport more students than their capacity, resulting in overcrowding and thereby endangering the life of innocent children.
- ❖ Some Private Vans do not have any speed governors and indulge in rash driving, hence violate traffic signals and rules.
- ❖ Children are often made to sit in the boot, next to highly inflammable CNG cylinders. Keeping the summer months in mind, this situation can take grave proportions, putting the students' life at risk. Parents must talk to their wards that the children MUST remain highly alert while travelling in the Vans for any kind of foul burning smell. They should immediately raise an alarm and EVACUATE THE VAN and move away from it.
- ❖ Parents are to ensure that the Vans ferrying their wards have proper fitness and registration papers. The antecedents of the driver must be known to the parents.

IT IS DESIRED BY THE SCHOOL THAT THE PARENTS TRAVEL IN THE VANS ON ROTATION BASIS TO ENSURE THAT THE ABOVE MENTIONED POINTS ARE FOLLOWED RELIGIOUSLY BY THE PRIVATE VAN OPERATORS.

It is mandatory that the parents of the students travelling by Private Vans furnish a declaration cum undertaking (specimen as under) duly typed on Rs.10/- stamp paper attested by a Notary Public / 1st Class Magistrate and submit the same to the respective Class Teachers latest by 30 April, 2023.

Let's join hands to educate and empower our young minds to stay safe and secure at all times!
