

REPORT ON TRIP TO KIDZANIA, NOIDA

The Primary Department of Bal Bharati Public School, Noida undertook an Educational and Experiential tour to Kidzania, Noida on March 21, 2023. The trip was organized for class 3 with a discrete intention to foster the young minds for an experience filled with life-long learning and enjoyment. A total of 162 students accompanied by 10 staff members went to Kidzania.

Kidzania, Noida offers children real-world exposure in a safe and remarkably designed replica of a mini-economy in function. Children had a thoroughly engaging time baking a pizza, picking up a job, being a DHL service provider, a police officer, a firefighter, an animal rescuer, a radio jockey, and everything possible in just a matter of one day. The Indoor theme park is an appropriate amalgamation of real and virtual, learning and entertainment that renders children with the skills and competencies of Vocational Learning.

After the frolic experience of the day, our young Bal Bhartians came with a heightened sense of worth, enhanced decision-making, and problem-solving skills packaged with cheerful emotions and memories from the day.

Some glimpses of the Excursion
