

**Dear Parents,
Warm Greetings!**

As we proceed towards Summer Vacation, we send our students a joyous time filled with enriching learning experiences. We believe that vacation is the right time to explore our hobbies and develop new ones. We hope you fill your bags with knowledge, experiences, and colorful memories. This Summer, we intend to give our students a fun and frolic ride into their ‘**Toy World**’.

Get ready to not just play, but to create.

Students will master the skill of making toys ranging from simple stick puppets to bottle puppets while also recapitulating the topics learned so far. Each activity is a thoughtful integration of Toy Pedagogy with respective subjects consciously put together to make learning fun for students.

Each student is expected to undertake all the activities assigned in the holiday homework.

The assigned work is to be done as per the instructions given at the end of each HHW activity.

PLEASE NOTE: The Term 1 assessment will include grading from the Holiday Homework for scholastic and co scholastic activities.

Children are requested to complete the activities and submit to their subject teachers by the given dates:

English and ICT	04.07.23
Maths and Hindi	05.07.23
Science	06.07.23
SST	07.07.23

***All the activities and the use of internet for doing the activities to be done strictly under the supervision of parents.**

***Practise sheets of Maths,English ,Science and SST will be uploaded on teams channel.**

Work to be done in notebook and brought as per the above schedule.

SST - Northern and Coastal plains

ACTIVITY & INSTRUCTIONS :

TOPIC : I am a proud Indian Craftsman.

I- Northern plains: Northern plains extend from the state of Punjab, Haryana, including Delhi, Uttarakhand, and Uttar Pradesh, parts of Rajasthan, Madhya Pradesh, Bihar, and Jharkhand to West Bengal and Assam.

Dancing Dolls:

Students will create a doll using fabric or paper origami representing their favourite dance form (Kathakali, Bharatnatyam, etc). They can make the dolls of any states of their choice (Kerala, Odisha, Andhra Pradesh, etc).

II- Coastal plains: The main occupation of people of coastal plains is fishing. Students will make toy fish using old socks and other materials easily available. They will name their fish and explain if the fish is Inland or Marine.

LEARNING OUTCOME:

Toy-based pedagogies will strengthen conceptual understanding in students to help in holistic development, foster creativity, imagination and enhance the emotional quotient in students.

COMPETENCY BUILT:

This activity will enhance their creativity, presentation and researching skills.

*Pls note: Kindly make the toys Neat and Presentable.

ACTIVITY & INSTRUCTIONS

I. Doing it the Puppet way

Introduction: Picture composition is a great way to express our ideas, creativity and it also helps us to shape our perception .

To Do:

1. Keeping the creativity and artistic skills alive, students will make a puppet of their choice (sock puppet,stick puppet, glove puppets, marionettes, ventriloquist puppets etc).
2. Compose a paragraph describing the puppet you have made (kind of puppet, materials used, appearance of the puppet and other details).

* The Composition is to be written in English notebook in around 100 words.

Make your Puppets colourful and bright and add details to your puppets to make it look attractive.

LEARNING OUTCOME:

Toy-based pedagogy will promote conceptual understanding, foster creativity and will help refine motor skills to provide students an enjoyable learning experience.

COMPETENCY BUILT:

This activity will enhance creative and writing skills..

TOPIC : Picture Composition

ACTIVITY & INSTRUCTIONS

I) Mouthy Masterpiece Puppet for a Healthy Smile

"Get your puppet and learn the secret to a healthy smile with proper oral hygiene!"

Students will make an attractive puppet out of socks or paper bag/paper and other waste materials (such as buttons, beads, etc.) to resemble a set of teeth in a mouth, and they will use their puppet to artistically explain the best ways to take care of their teeth in a two-minute video that will be uploaded in the holiday homework section in MS Teams.

<http://braveturtlecreations.blogspot.com/2011/08/sock-puppet-tutorial-part-2.html>

II) "My Oral Care Habits" observation chart

Regular brushing, flossing, and drinking water after meals can help keep your mouth healthy.

Make a chart in your science notebook titled "My Oral Care Habits" for a week that details your oral hygiene routine.

Following link is given for the observation chart details

https://docs.google.com/document/d/1nKbNU3b2GSOihpErskJsvV-a1s2ABYOYMZ_F7ifJDWM/edit?usp=sharing

LEARNING OUTCOMES:

Toy pedagogy will help children to learn and develop their cognitive, physical, and emotional skills.

COMPETENCY BUILT:

The activity will enable the learners to:

- develop creativity, fine motor skills and knowledge about importance of oral hygiene.
- develop a habit of self-care and taking ownership of one's health.

हिन्दी

विषय : खिलौनों की दुनिया

गतिविधि निर्देश : अपनी कल्पना के अनुसार हाथों के दस्तानों से एक खिलौने का निर्माण करो । अपने खिलौने को एक नाम दो । उसकी दुनिया के बारे में कल्पना करो । उस कल्पना को आकार देते हुए ,अपने अन्य खिलौने के साथ उसका संवाद स्थापित करवाओ । इस संवाद-लेखन को A-4 शीट पर भी लिखिए । शीट को हिन्दी कॉपी में चिपकाए ।

<https://youtu.be/qkanHRaD0Uk> इस लिंक की सहायता से आप हाथों के दस्तानों से खिलौने बनाना सीख सकते हैं ।

<https://youtu.be/HK-JVdwRVx8> इस लिंक की सहायता से सुभद्राकुमारी चौहान की प्रसिद्ध कविता “खिलौनेवाला” पढ़िए ।

अधिगम प्रतिफल :

- इससे विद्यार्थी के अंदर सीखने-सिखाने की सोच विकसित होगी ।
- विद्यार्थी अवधारणाओं और कौशलों को खिलौनों , खेल , कठपुतली आदि का उपयोग करके आनंदपूर्ण तरीके से सीख सकेंगे ।
- विद्यार्थी विषयों के अधिगम में खिलौनों के उपयोग द्वारा सीखने और अभ्यास करने में सक्षम बनेंगे ।

योग्यता विकास : इस गतिविधि द्वारा विद्यार्थियों के अंदर सृजनात्मकता , गहन चिंतन , शोध एवं कक्षा- प्रस्तुति करने का आत्मविश्वास विकसित होगा ।

ACTIVITY AND INSTRUCTIONS:

Breaking down numbers into their expanded form helps children understand the value of each digit. A good understanding of place value helps students solve problems and understand operations better as they learn more advanced ones.

Activity: Cut green paper strips that measure 1/4 inch by 4 inches. Cut one long strip of brown paper for the tree trunk (approximately 6 inches by 1 inch). Use red paper to cut many small squares for the packages. Create bows for the packages using other colors.

OR

Make working model on Ascending and Descending order using origami paper and waste material.

Following link can be used for reference:

<https://lifeovercs.com/expanded-form-math-christmas-activity/>

<https://youtu.be/wLTY-l-8wEw>

LEARNING OUTCOMES:

1. Students will be able to demonstrate place value of each digit.
2. Learn how to write a number in expanded form using a place value chart.
3. Students will be able to enhance their creativity and critical thinking skills.

COMPETENCY BUILT:

The students will be able to visualize, generalise, communicate and develop number sense.

Topic: Expanded form Christmas tree

ICT- DOCUMENT IN MS-WORD

TOPIC: TOYS AND GAMES WE PLAY WITH

Toys refer to local, indigenous or any popular game or a puppet which children love to play with, create, listen to, touch, and watch such as Paper toys (Pinwheel, kites), Dancing and Singing puppets (String puppets, Hand puppets), Board games (Ludo, Carrom Board, Chess), Clay toys, Puzzles, etc

Activity: Create a document in Ms.Word about different Toys and Games you know and play with.

1. Describe the various Toys and Games, such as the place where it is most popular, how to play it, who do you play with, place where the game is played (Indoor/ outdoor), material of which the toy/game is made, etc.
2. Insert beautiful pictures of the toys and games you have described. The picture should be placed after its description.

Instructions: Use various features of Ms-Word like background colour and border, Inserting images, making the text Justified (Justify Alignment), heading of the toys must be bold and underlined, important words to be highlighted. The document must be submitted in the HHW channel on Teams.

LEARNING OUTCOME:

Students will be able to use various features of MS.Word and apply them in practical work. They will also get to know more about the toys and games..

COMPETENCY BUILT:

This activity will enhance formatting and creative skills of students.
