

## REPORT ON DECORATIVE GARDEN COMPETITION

### HARNESSING MOTHER NATURE IS THE CALL OF THE DAY.

Young children of the school are the torchbearers of the green mission. In this endeavour, each class was invited to design and create a ' Decorative Theme based miniature garden ' , using plants and saplings of their choice .

#### **Decorative Gardens - Harnessing the Green Legacy**

Students of different classes had to follow the themes given like fairy tale, zoo, Avengers, hanging garden. The competition was held between 01 to 4th May during the zero and Bal Sabha activity periods.

This initiative was taken up by the interact club in a mission to harness the sustainable goals of conserving mother nature. The students participated whole heartedly in this activity.

The decorative gardens displayed in the school lawn was duly adjudged by Mrs Neerja Bhattnagar , environment ambassador of the school. The entire event proved to be very fruitful as the students of the new generation were committed to nurture nature and bring a green shade to the world in the future years also.

Such competitions not only makes the children aware but also created mass awareness of learning to live in harmony with nature and man.

**Our Green Brigade ..... Winners All the Way**

**Change Makers – Committed to the Path of Greener**

**Theme - A fairy tale Garden**

**Avenger Garden**

**Natural Energy**

**Hanging Gardens**
