

DIGITAL ALBUM MAKING - AN INTER HOUSE COMPETITION

DATE: 21.04.2023

TIME: Bal Sabha periods

CLASSES INVOLVED: XI &-XII

DESCRIPTION OF THE ACTIVITY

“The Heritage of the past is the seed that brings forth the harvest of the future.”

Celebrating and cherishing our rich and diverse heritage is a quality that we all should develop. Also as we are progressing so much in the technological field, let's celebrate this Heritage Day with the best of both worlds.

2 students from each house (one from class XI and one from XII) will group up to make a Digital Album on the less-known monuments that display the multifarious heritage of our country. All details regarding the monument (materials used to make, location, opening and closing hours, mode of transport to visit, visiting months, etc) have to be specified in the Album along with a perfect blend of creativity and vibrancy.

The presentation in the form of Digital Album will be shared with two judges ,whose judgement will be full and final.

RULES AND REGULATIONS

- A total of 6 monuments to be picked by each group.
- Famous monuments (like Taj Mahal, Qutub Minar, etc.) are not to be taken up .
