

MESSAGE

BBPS ND MUN- 5.0

I am writing to express my deepest appreciation and gratitude to **Social Science Department** for exceptional efforts in organizing the Model United Nations (**MUN**), **5.0** event. Your dedication and commitment to providing students with such an enriching experience have not gone unnoticed.

The MUN 5.0 organized by the school was truly remarkable. From the well-planned schedule to the engaging committees and thought-provoking topics, everything was executed flawlessly. Your attention to detail and meticulous planning ensured that students had an authentic and meaningful experience simulating the workings of the United Nations.

The impact of the MUN event on students cannot be overstated. By immersing themselves in the roles of diplomats and representing various countries, they gained invaluable insights into global issues, diplomacy, and teamwork. The event also sparked their curiosity and ignited a passion for international affairs, encouraging them to think critically and become active global citizens.

Furthermore, the MUN event served as a platform for students to forge new friendships, exchange ideas, and appreciate diverse perspectives. It promoted collaboration, mutual understanding, and the importance of respectful dialogue—essential skills that will undoubtedly benefit them in their future endeavors.

I would be failing in my duties if I do not mention the contribution of Hardik Jindal (Secretary General), Suwanshi Deb (Deputy Secretary General), Kshitiz Sharma (Delegate Affairs), Vedant Sharma (Logistics), Anshita Thapliyal & Nitya Dassi (USG Hospitality), Garima, & Shreya Chauhan (EB Affairs), Kushagra Pant (IP), Avika Saxena & Astha Sinha (Marketing) who worked relentlessly for days to stand by their motto 'Transcend, Transform and Transpire'.

On behalf of all the participants, I want to thank the team once again for exceptional leadership and for providing the school with an unforgettable experience. Your passion for education and dedication to creating meaningful learning opportunities is truly inspiring. It is because of teachers like you that students are able to explore their potential and embark on journeys of discovery.

Wishing you continued success and fulfillment in all your future endeavors.

With deepest appreciation,

Asha Prabhakar
(Principal)
