

REPORT
BAL SABHA ACTIVITY (2023-24)
GRATITUDE BOARD
CLASS ACTIVITY

Date: 19/04/2023

Classes: III-IV

Theme: Observing International Mother Earth Day

“Live a life full of humility, gratitude, intellectual curiosity, and never stop learning.”

On 19th of April 2023, the activity "Gratitude Board" was held at Bal Bharati Public School, Noida, for students of classes III and IV. The main objective of the activity was to create awareness among the students that planet Earth is our home and one must live in harmony with nature. The activity focused on showing gratitude towards Mother Earth and encouraged the students to invest their time and efforts in taking care of it.

The activity commenced with the teacher sensitizing the students on the unfortunate condition of earth which is deteriorating with each passing day due to hazardous activities practiced by humans. To reinstate our responsibilities towards mother Earth, the students of classes III and IV wrote a few lines of gratitude and thankfulness for our planet, Earth.

The children voiced their views on saving the planet through their creative expression. The purpose of this activity was to inspire students to make the earth a better place to live and raise awareness to protect the environment. The message “Don’t just protect the environment of the earth but create the earth where the environment doesn’t need protecting” was elucidated.
