## AN INSIGHTFUL DIALOGUE OF OPENNESS

The students of our school talked about Indian cuisines which not only celebrate the taste but also enables the citizens to invest in their health. Acknowledging, understanding and embracing the cultural differences induced the students to celebrate diversity.

## A LEARNING EXPERIENCE TO BE CHERISHED FOREVER

The benign words of Ms. Hsiao Hsuan, "Thank you very much for the wonderful first meeting! I'll teach my students to know more about India. It's a great start", proved that the collaboration was indeed a success as the motive of strengthening the bond between the two schools and the countries sufficed.
