

*Try to be the rainbow in someone else's cloud*

Dear Parents,

Cyclones and floods are wreaking havoc again. Cyclone 'Biparjoy' has caused devastation and distress in many parts of the country. Now, Assam is suffering one of the worst floods in the last many years. Bal Bharati Public School, Noida has joined hands with Goonj (a multi-award-winning social enterprise, that works on poverty alleviation, rural development, disaster relief and rehab) to respond to the flood affected people in North east. We all need to contribute in every possible way by doing our bit.

Interactors and students are requested to donate relief material (Dry ration, ready-to-eat food packets, tarpaulin, utensils, toiletries, footwear, sanitary pads, torches, buckets, solar lights, blankets, clothes, candles, matchboxes, first – aid boxes, mosquito nets, raincoats) latest by 15 July, 2023 to their respective class teachers. Also, you can visit the nearest Goonj dropping centres (detailed below) to contribute the relief material. ([goonj.org/dropping-centres/](http://goonj.org/dropping-centres/))

**Contribute material and money for flood and cyclone hit people**

**Collection Camps in Delhi NCR**
