BAL SABHA ACTIVITY (2023-24)
A POET'S CORNER

Date: 10/05/23

Classes: III

Theme: POETRY BY RABINDRANATH TAGORE

“Clouds come floating into my life, no longer to carry rain or usher storm, but to add color to my sunset sky.”

Poetry is an essential and timeless form of human expression that enriches our lives, ignites our emotions, and helps us make sense of the world around us. With this thought, a poetry competition was organized for the students of class III. The competition was divided into two rounds, including preliminary rounds and a final round.

During the preliminary rounds, participants were given 1-2 minutes to present their poems composed by the great Indian Poet Rabindra Nath Tagore. The atmosphere was filled with anticipation as the budding poets took the stage one by one, sharing their emotions and perspectives through their verses. The class teachers selected the top three performers from each section to proceed to the final round. The criteria for selection included the ability to effectively convey emotions, use of poetic devices, and the overall impact of the performance.

In the final round, the top performers from each six sections competed against each other. The poems covered a diverse range of themes, including love, nature etc. showcasing the versatility and depth of poetic expression. After much consideration, top three winners of the competition were selected. The winners were honored with certificates of achievement to recognize their exceptional poetic talents.

The Poem Competition proved to be a resounding success in celebrating the art of poetry and nurturing budding poets. The event provided a platform for creative expression and fostered a sense of camaraderie among participants and poetry enthusiasts.

Here's a result table highlighting the best three entries from students based on selection of poetry, presentation, articulation voice modulation and overall effect.

S.No.	Name of Student	Respective Class
1.	Parinoor Chhabra	III E
2.	Mandi Pandey	III A
3.	Riyanshika Chaudhary	III F
