SCHOOL TRANSPORT

Dear Parent,

Greetings!

The School Transport is a shared facility that is being operated by the school for the convenience of the parents. The school operates 25 routes in the senior wing that have designated stops. The travel time of the bus along with the stops is available on the school website. Parents are requested not to compel the driver to stop the bus at unidentified Bus stops or change the timings to suit their convenience.

Further refer to CBSE/AFF./Circular-8/2017/1217401 Dated: 23.02.2017, Sub.: Safety of school children in the school bus -If age of the students is below 12 years, the number of students carried shall not exceed 1½ times the permitted seating capacity and the students above 12 years shall be treated as one person. Three children under the age of 12 will be seated on 2 seats in the bus.

Parents are requested not to get into an argument with the driver or the conductor, they will not be able to resolve any issues, since they are support staff and working on behalf of the school. Please communicate your grievances by writing an e-mail to the principal at bbpsnd@balbharati.org or meet the principal on all working days between 9.00 and 10:30 A.M.

It is very humbly requested not to call the Transport Incharge from 6:50 AM to 07:20 AM, he is usually driving, and picking up a call maybe risky for his life or other fellow commuters. There have been instances where parents call the school authorities incessantly during early morning hours, if there is an urgent need, please contact the Lady Guards deputed on respective routes.

We remain committed to our task of providing safe transport for students.
