EDUCATIONAL EXCURSION TO KIDZANIA (2023-24)

Day/Date: Saturday , 05.08.2023

Venue: Kidzania, Noida

Class: I&II

Attended by- Class I and II students along with their teachers and helping staff

On the 5th day of August, an excursion tour to Kidzania an indoor theme park in Delhi-NCR was organised by Primary department of Bal Bharati Public school for classes I and II with much joy and excitement. 327 students were accompanied by 23 teachers, along with the helping staff. Ms Monika, Primary School teacher In-charge, apprised the teachers and students alike about the excursion programme. The students along with their teachers were brimming with eagerness and enthusiasm as they boarded

their respective buses.

Kidzania is an indoor theme park with its functioning economy and its own currency of kidzos i.e 1,5,10 and 20. It is a blend of real life with entertainment as students learn and experience about the occupations of people in real life after obtaining instructions from the kidzania members. It has been created to empower, inspire and educate children through various hands-on activities. Students experienced these life skills such as community helpers, survival, communication, patience, investment of money, management

of money, prioritise spending of money and earn money to name a few. There were several paying services such as Radio city, Hospital, DHL, Dental care, Fire Fighting etc. It provided firsthand experience of different occupations and careers that they could explore.

Kidzania had mini setups for dominos, petrol pumps, big bazaar, salons etc. Students played the role of a pilot, surgeon, detective, chef, engineer, TV producer, radio jockey, car mechanic and many other professions with full gusto.

The involvement of students in various activities stimulated their creative thinking and built self-confidence in them. The excursion strengthened the bond of care and friendship, responsibility and sense of independence as well as interdependence.

The students returned back to school curiously as they wanted to show the kidzos(currency of kidzania) to share with their parents. That was their earning for the day.The excursion strengthened in them the value for dignity of hard work. In addition, this trip made them realise the contribution of each member of the society and made them reflect upon the challenges faced by each working individual in the real-world.
