

BAGLESS DAY - CLASSES I TO VI

"The road to freedom-here and everywhere on earth-begins in the classroom."

Dear Parents,

The National Education Policy of India outlines a new vision for the country's education system. This policy is designed to transform India's education landscape, and as part of this visionary approach, we are embracing the concept of "Bagless Days" for **Classes I to VI**.

In accordance with the new policy, we will be promoting the concept of *Bagless Day* throughout the academic year. These days will be dedicated to a variety of enriching activities, including arts, quiz, sports, and more. The primary objectives behind this initiative are as follows:

- Promote Experiential Learning and Creativity
- Offer Diverse Learning Opportunities
- Encourage Active Learning Beyond Textbooks
- Relieve the Burden of Carrying Bags
- Facilitate Collaboration and Group Activities
- Explore the Outdoors

We believe that the implementation of *Bagless Day* once in a month, aligns perfectly with the holistic and innovative approach of the National Education Policy. Through these days, we aim to create a well-rounded educational experience that goes beyond textbooks and classrooms, fostering creativity, curiosity, and a love for learning.
