

## **NATIONAL AUTOMOBILE OLYMPIAD-2023**

The school is participating in the National Automobile Olympiad, organised by the Automotive Skills Development Council (ASDC) under the aegis of CBSE.

The National Automobile Olympiad is a highly anticipated competition that brings together schools from across the country. It consists of three stages, culminating in the finals held in Delhi. This multi-stage format allows students to demonstrate their expertise, teamwork, and problem-solving abilities.

We encourage all interested students to participate in this event and make the most of this extraordinary opportunity to expand their knowledge and showcase their talents. Participation in such competitions helps students develop critical thinking, problem-solving and teamwork skills, which are invaluable for their overall growth and future career prospects.

To register your child for the National Automobile Olympiad, please visit <https://www.asdc.org.in/nao> during the registration period. There is no registration fee for the competition.

Here are the major details and timelines for the National Automobile Olympiad:

### **Registration Process: Online**

- The registration period is from June 10 to September 30, 2023.
- Interested students must visit <https://www.asdc.org.in/nao> to complete the registration process.
- The registration is free and is open for all students studying in Classes VI - XII.

### **Training Sessions:**

- Registered students can access free training programs available on ASDC website <https://www.asdc.org.in/nao>.
- The courses will focus on various aspects of a wide range of skills and competencies, and on successful completion a participation certificate will be awarded.
- Registered students will be able to access the sample paper on completion of their registration.

### **National Automobile Olympiad:**

1. The Olympiad consists of three stages: City, Regional and National Finals.
2. The format for the 3 stages will be MCQ based Test, Online Live Quiz, and Workshop respectively.
3. The city and regional rounds will be conducted online.
4. The regional winners will advance to the finals which would be held in Delhi. All costs pertaining to the lodging and boarding will be borne by the organisers.
5. The exact date and venue for the finals will be communicated to the participating students in due course.

If you have any further questions or require additional information, please do not hesitate to contact Ms Rakhi Kumari, TGT (Physics) at 8281580690 or Mr Umesh Verma, TGT (Science) at 9811336317.
