SUGGESTION FOR INCREASE IN THE USAGE OF EMBIBE PLATFORM
FOR TEACHERS AND STUDENTS

Embibe Student App is set to revolutionize the education landscape by providing an exceptional learning experience for our students. The app focuses on subjects such as Science, Mathematics and Social Studies, catering to students from Classes VI to XII. The app utilizes an AI-based platform that analyzes child's learning patterns and preferences.

A TIMETABLE FOR SCHEDULING OF HOMEWORK/ ASSIGNMENT FOR CLASSES VI TO XII HAS BEEN PREPARED.

Embibe Usage Timetable is based on staggered days for each class and subject, so that Parents are aware of Screen Usage of their wards.

Time :

Classes VI-VIII	Classes IX- X	Classes XI- XII
30 minutes	40 minutes	40 minutes

Total Embibe Usage Per Child in a week :

Classes VI-VIII	Classes IX- X	Classes XI- XII
01 Hr 30 Mins	02 Hrs	03 Hrs 20 Mins

Schedule of Assigning Assignment / Homework to students in Embibe Students App

CLASSES	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY

Teachers are required to schedule the Assignment/ Homework a day prior to the scheduled Day and review the students who have attempted the assignment.

For example, Maths Teacher of class VIII will schedule the assignment by Tuesday evening, she will instruct the students to attempt the same on Wednesday and check the students who have attempted by Thursday. Students who have not attempted the assignment are to be instructed to complete the assignment over the weekend.

Teachers will fill up the form providing the details of students who have attempted the assignment on Friday.
