

ION/24/2023-24

Date : 18 Sep, 2023

The Ministry of Environment Forests and Climate Change has launched a website under Mission Life to nudge individual and community action to protect and preserve the environment. The seven themes for showcasing the hands-on activity/Project are as follows:

Save Energy, Save Water, Single Use Plastic Reduced, Sustainable Food Systems Adopted, Waste Reduced (Swachhhta Actions), Healthy Life Styles Adopted: Reduced E-Waste

The G20 Summit in Delhi also emphasized the importance of achieving the objectives of urgently accelerating our actions to address environmental crisis and challenges including climate change.

Under the aegis of Environment club, following activities have been scheduled to inculcate green practices in students and prepare them for future challenges.
