

INTERNATIONAL DAY FOR THE PRESERVATION OF THE OZONE LAYER REPORT

“One Small act can save the Ozone layer”

On September 16th, the school actively participated in World Ozone Day, dedicated to raising awareness about the vital importance of preserving the ozone layer. ‘Ozone for life’, reminds us that not only is ozone crucial for life on Earth, but that we must continue to protect the ozone layer for future generations.

This year's theme, "Fixing the Ozone Layer and Reducing Climate Change," was at the center of our school's activities, underscoring the essential link between ozone layer conservation and climate action.

An enlightening rendezvous was conducted with Ms. Shambhavi Shukla, Programme Manager, Centre for Science and Environment, Delhi. The conversation delved into Ms. Shukla's valuable insights, experiences, and contributions within the realm of environmental science and sustainable development. The dialogue revolved around Ms. Shukla's extensive knowledge and engagement concerning ozone layer protection, offering insights into her research endeavors, methodologies, and key findings. In order to bring awareness among the students, hands-on activities were conducted for primary classes.

GLIMPSES OF THE ACTIVITIES

CLASS	ACTIVITY	LINK OF ACTIVITY	TEACHER INCHARGE
Class I-XII	<p>Rendezvous with Ms. Shambhavi Shukla, Programme Manager, Centre for Science and Environment</p> <p>Date: 16.08.23</p> <p>It aimed to present an enlightening narrative on the ozone-related research questions posed during the</p>	<p>https://mail.google.com/mail/u/0/#inbox/FMfcgzGtxKPHKfbLCVqLgkltgdvDcgCR?projector=1</p>	<p>Ms. Neerja Bhatnagar. Ms. Suniti</p> 

	interview, shedding light on Ms. Shukla's contributions and the collaborative efforts of the Centre for Science and Environment in advocating for ozone layer conservation and advancing scientific understanding in this critical field.		
I - II	<p>Ozone Guardians: Happy Earth vs. Sad Earth</p> <p>Date: 19.08.23</p> <p>On 'Happy Earth', show items/practices that protect the ozone layer, such as planting trees, reducing energy waste etc. On 'Sad Earth', show items/practices that harm the ozone layer, like refrigerators, air conditioners, polluting cars etc. will discuss ozone layer protection and prevention.</p>	Class I - II Ozone Guardians : Happy Earth vs. Sad Earth	Ms. Suniti
III-IV	<p>Ozone Message Creators</p> <p>Date: 19.08.23</p> <p>Students will create a short message related to ozone layer protection.</p>	Class III-IV : Ozone Message Creators	Ms. Suniti
V	<p>Shopping Ozone Smart</p> <p>Date: 19.08.23</p> <p>Students will classify the given items into ozone wise products and ozone damaging products.</p>	Class V: Shopping Ozone Smart	Ms. Suniti
Class IV-XII	<p>Awareness campaign</p> <p>Class discussion by Class teachers & Environment Club I/C</p>	<p>Video Screening</p> <p>Video Link –</p> <p>https://www.youtube.com/watch?v=Yo8XNMNj1VM&t=5s</p> <p>https://www.youtube.com/watch?v=PiGyzLjOONc&t=3s</p>	<p>Class Teachers and Class Reps</p> <p>Ms Neerja Bhatnagar</p>
