SYNOPSIS OF THE ACTIVITY CONDUCTED:

Please write in about 100 – 150 words

Technofable- Students design a comic strip using Canva. A relevant title to their comic strip was given by them. On the spot topic – “**Digital Footprints**” was given to them. All four teams designed a comic strip using Canva. Each team comprised of two members. All four teams designed a colourful and self explanatory Comic Strip. Students participated enthusiastically in the event. Our Esteemed Judge Ms M Tripathi (P.G.T. – Computer Science) gave valuable suggestions to students for further improvement in their technical skills
