DEPARTMENT - PRE PRIMARY
IMPLEMENTATION OF NEP 2020

Dear Parent,

The school has been receiving inquiries from parents of Pre Primary students regarding the promotion of their children to Pre Primary - III or Class I for the upcoming academic session in 2024-25. It is important to note that education is a matter regulated by the State, and the school is obligated to adhere to the State Guidelines. According to the notification from the Government of Uttar Pradesh, the NEP-2020 norms will only be applicable starting from the academic year 2024-25.

As of April 1, 2024, the entry age for students should be 3 years or older. The Pre School Batch of 2024-25 will undergo a mandatory 5-year foundational education, meaning that this batch will complete their schooling at the age of 18.

For Pre Primary students of the 2023-24 session, they will be directly promoted to Class I, and the NEP norms will not apply to this particular batch.

In conclusion, the National Education Policy (NEP) 2020 emphasizes the importance of strengthening foundational learning as a national priority. The NEP introduces a pedagogical structure of 5+3+3+4, which signifies 5 years of foundational classes (ages 3-8), 3 years of preparatory classes (ages 8-11), 3 years of middle classes (ages 11-14), and 4 years of secondary classes (ages 14-18). In line with the provisions of NEP 2020 and the Right to Education Act 2009, Bal Bharati Public School, Noida, will align its admission age for Grade 1 to 6+ years. This adjustment aims to standardize the age of admission to Grade 1 nationwide and benefit students.

If you have any further questions, we encourage you to meet with your child's Class teacher, who is well-equipped to address your queries.
