2023/24 WOMEN IN SCHOOL LEADERSHIP PROGRAMME : **LEADING SCHOOLS FOR SOCIAL CHANGE**

The Women in School Leadership (WISL) Programme is a professional learning programme for a select group of women Principals from Delhi and Victoria, Australia. The 2023-24 programme will support Principals to engage in an online professional learning programme and reciprocal immersion experiences in Delhi / Bangalore and Victoria during the year 2023-24.

This programme will support its participants to explore opportunities on 'Leading Schools for Social Change' with a focus on health and wellbeing. This theme aligns to NEP pedagogical and curricular restructuring, aimed at promoting better learning, development and wellbeing.

Under the aegis of NPSC and Asian Education Foundation, 12 Victorian delegates visited Delhi from 08 to 13 Oct, 2023. Ms Tania Sorbello, Principal, Fitzroy North Primary School and Ms Claire Laundy, International Educator at Melbourne University visited the school during the school immersion days from 07 to 13 Oct, 2023. During the visit she observed the best practices of the school and witnessed classroom proceedings to understand diversity and inclusion, student centered learning, creative and experiential pedagogy and assessment. She had rich discussions to further her understanding of a school culture of wellbeing and learning.
