

## **Title: Bagless Day Report**

**Date: 18<sup>TH</sup> October, 2023**

The Bagless Day in class VI was organized to promote a variety of activities that encouraged skill development, physical fitness, and overall well-being among the students. The day was a great success, with students participating in cricket, football, sewing, hemming, electrical repair, and reading activities.

### **Activities:**

#### **1. Cricket (Boys - Zero to 2nd Period):**

The day began with an enthusiastic cricket match for the boys, providing them with a fun and physically engaging experience.

Students displayed great sportsmanship and teamwork, making the morning period enjoyable for all.

#### **2. Football (Girls - Zero to 2nd Period):**

Simultaneously, the girls took part in an exciting football game, showcasing their skills and enthusiasm.

This activity not only promoted physical fitness but also encouraged teamwork and cooperation.

### 3. Sewing and Hemming (3rd to 5<sup>th</sup> Period):

In the midday hours, students were introduced to practical skills like sewing and hemming.

This hands-on experience allowed students to learn essential life skills and encouraged creativity.

### 4. Fixing a Bulb in Holder (6<sup>th</sup> & 7<sup>th</sup> Period):

During the 7th period, students were taught the basics of electrical repair, with a focus on fixing a bulb in a holder.

This activity aimed to impart valuable knowledge about household maintenance and safety.

### 5 Visit to History Corridors:

One of the standout experiences of Bagless Day was the visit to the history corridors within the school. Students had the opportunity to explore a treasure trove of historical artifacts, documents, and exhibits. This visit provided valuable insights into the rich history of our institution and the region, allowing students to appreciate the past that has shaped our present.

## Conclusion:

The Bagless Day was a well-rounded and productive event, offering a mix of physical activities and practical skills training. Students thoroughly enjoyed the day while gaining knowledge and engaging in fun and educational experiences. Such events not only break the monotony of regular classes but also foster holistic development among students. The success of this Bagless Day underscores the importance of incorporating such activities into the school curriculum to provide a well-rounded education.

## Feedback from Students

The friendly cricket match was a highlight for me. Playing with my friends in a fun and competitive atmosphere was a fantastic experience.-----Yashmit

Learning how to hem and sew was a truly beneficial skill. I can now help my mom with sewing tasks.

Aradhaya Jain

I really like sewing activity. I even feel confident enough to stitch my own buttons. This newfound ability gives me a sense of self-sufficiency-----Ansh Maurya

I love playing with my friends. It not only allowed us to enjoy the game but also strengthened our bond as friends. It was a great way to promote teamwork and sportsmanship.-----Piyanshi

Learning how to fix bulbs might seem like a small skill, but it's incredibly practical. I now have the knowledge to assist my parents with basic electrical repairs.----Aarav Rana

The history corridor in our school is a hidden gem. I was amazed by the wealth of historical knowledge it holds.

Lokesh

The hands-on activities were not only enjoyable but also highly informative and skill-building. I appreciate our school's efforts to provide us with a well-rounded education that goes beyond textbooks. -----Palakshi
