

## **REPORT SECOND BAGLESS DAY**

### **CLASS VI C**

The bagless day in school not only encourage students to participate in extra-curricular activities but also, is an attempt to provide a different module of learning for better performance. The National Education Policy (NEP) emphasis the participation of students in bagless days to learn through life skill activities. Accordingly, the Second 'Bagless Day' was conducted for the students of classes VI on Wednesday, 18<sup>th</sup> October 2023.

Different and exciting activities were planned for the day to instil different skills in the students while making it a fun day with their friends and teachers. The first activity was a sports activity which was an Inter-section football match for boys and basketball match for girls under the supervision of Mr. Vardhan Sharma, Mr. Rajbali and Mr. Shiv Kumar. Students thoroughly enjoyed playing with each other.

The next activity was 'Learn to fix a bulb in the holder'. In this activity students were taught how to change a bulb in the holder. The next one was 'Sewing and Hemming'. These life skills help the students to develop fine motor skills, improve focus and concentration and teach the importance of patience and self-control. These creative learning experiences add more colour to student's learning. Such days, provide opportunities to students to nurture their curiosity and creativity.
