

## **REPORT ON BAGLESS DAY ACTIVITY-CLASS VI D**

The Bagless Day in school provides a platform to the children to experience joyful learning with fun and to reduce the existing boundaries between the bookish knowledge and application of knowledge in real-life situations. With this initiative in mind, the **second Bagless day** for classes VI was organised on **Wednesday, 18 October 2023**.

Interesting activities were planned for the day to inculcate different skills in the students while making it a fun day with their friends and teachers. The first activity was a sports activity which was an **Inter-section football match for boys and basketball match for girls** under the supervision of Mr. Vardhan Sharma, Mr. Rajbali and Mr. Shiv Kumar. Students thoroughly enjoyed playing with each other and the spectators were constantly cheering their classmates.

### **Inter Section Basketball Match for Girls**

The next activity was '**Learn to fix a bulb in the holder**'. In this activity students were taught how to change a bulb in the holder.

### **Learn to fix a bulb in the holder**

The next one was '**Sewing and Hemming**'. These life skills help the students to develop fine motor skills, improve focus and concentration and teach the importance of patience and self-control.

### **Students engaged in Sewing and Hemming**

A practice session was conducted for the class presentations where the students showcased their PowerPoint presentation and spoke about their projects.
