### **BAL SABHA ACTIVITY (2023-24)**

#### **“CLIP IT (COMPLIMENTING ONE ANOTHER)”**

### **Exploring space inspires us to dream beyond boundaries.**

**Date: 04.10.2023**

**Classes: I & II**

**Theme: Space and Entrepreneurship**

World Space Week is celebrated every year from 4th to 10th October. World Space Week is an international celebration of science and technology, and their contribution to the betterment of the human condition.

Based on the theme, “World Space Week” the Bal Sabha Activity “CLIP IT” (Complimenting each other) was organized for the students of classes I and II on 4<sup>th</sup> October. The students were engaged in this heartwarming activity where they penned and swapped motivational and complimentary messages, drawing inspiration from celestial objects like “You shine like a star” and “We are planet pals,” which they lovingly affixed to their classmates’ uniforms using pegs.

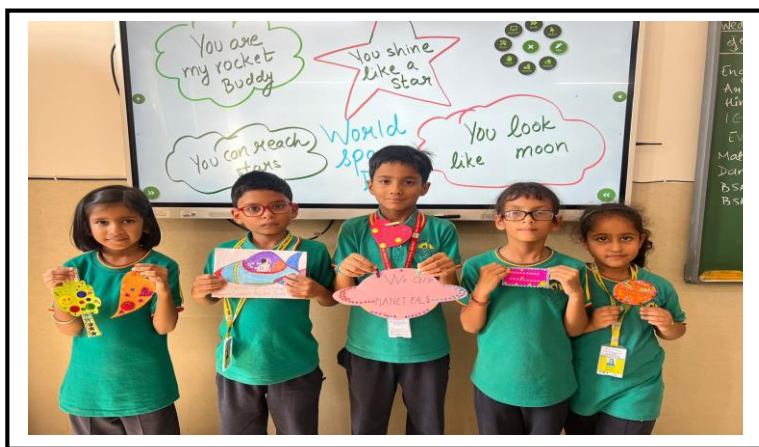

**“Exchanging messages from heart to the stars.”**

**“Sparkling smiles with starry words”**

The act of giving these messages to friends strengthened their interpersonal relationships and social bonds. The students in both Class 1 and 2 enthusiastically embraced the activity, and their faces were lit up with joy as they wholeheartedly strengthened the bonds of friendship.

The activity not only enhanced their creativity but also helped them to develop a great appreciation for the beauty and wonders of space and celestial bodies like Sun, Moon, planets. By performing the activity students were involved in drawing or decorating the messages and expressed themselves artistically. The activity encouraged them to express their feelings and appreciation for their friends through written messages, enhancing their written communication skills.

**“Messages written with celestial affection.”**
