BAL SABHA ACTIVITY (2023-24)
OBSERVING INTERNATIONAL DAY OF PEACE
CLASSES: I and II

Date: 20.09.23

Class: I- II

Theme: International Day of Peace

“World Peace begins with Inner Peace”(Dalai Lama)”

This activity was inspired by ‘**Peace Rocks**’ whose goal is to spread 1 million peace rocks around the world. During these unprecedented times, Love and Peace all around is the need of the hour to foster a healthy environment. Mental peace is truly considered pure oxygen.

Keeping this lofty idea in mind an engaging and fun filled activity was planned for little ones of classes 1-2 on 20th September, 2023 to commemorate International Day of Peace.

They were asked to paint a Peace symbol on the rock and

create a peaceful garden or similar area in the school premises.

The students participated in the activity with great zeal and enthusiasm. They got an opportunity not only to enhance their artistic skills but also to exhibit their talent and ingenuity in an uncharted territory like creating a masterpiece from rock.

TOGETHER WE CAN BRING PEACE

They presented their Peace Rocks aesthetically and creatively. The young master painters definitely explored the world in terms of various cuisines. The activity proved to be thought-provoking for the learners as they imbibed good values.
