BAL SABHA ACTIVITY (2023-24)

Read in your language/ Kahani Padho apni Bhasha mein

Date: 6th September 2023

Classes: I and II

Theme: International Literacy Day

“Reading is to the mind what exercise is to the body.”

The ‘Read in your language’ activity driven by CBSE’s initiative of ‘Bhasha Sangam’, was an initiative aimed at promoting a love for reading and celebrating linguistic diversity among children from the foundation years.

The students were guided to read a story book of their choice and narrate the same using expressions, articulation and voice modulation. The parents recorded the video of their ward reading the story and the video was then uploaded on the Class team.

It was a sheer delight to see the young readers taking initiative and reading out a story with enthusiasm. Three best entries from Class 1 & 2 each based on selection of story, presentation, articulation, voice modulation and overall effect were selected by the judges.

To conclude, this was a valuable initiative that promoted literacy, cultural diversity and language skills among children. By celebrating linguistic diversity and encouraging reading in native languages, it contributed to the holistic development of young minds and fostered a stronger sense of cultural identity. Overall, this initiative plays a vital role in nurturing young minds and their connection to their linguistic and cultural roots through the joy of reading.

BAL SABHA ACTIVITY RESULTS
INTER-SECTION ACTIVITY FOR CLASSES I & II
ACTIVITY-READ IN YOUR OWN LANGUAGE
06.09.23
