ANNUAL DAY AND PRIZE DISTRIBUTION FUNCTION

Dear Parents,

Greetings!

I extend my heartfelt gratitude for your unwavering cooperation and support in making the 31st Annual Day and Prize Distribution Function a resounding success. Your understanding and commitment to our school programmes have played a pivotal role in creating a memorable event for our students and have also instilled in our students the importance of participating in Co-curricular activities alongside Core academics.

I express my deepest appreciation for your extraordinary efforts in accommodating the rigorous practice schedules leading up to the Annual day. Your unwavering support in adjusting routines and prioritizing the practice schedules of nearly 1000 students underscores the strong partnership between home and school. Together, we've created an environment, where our students thrive and excel.

I extend my heartfelt applause to each one of you for being integral partners in our journey. Let's continue working together for the success and well-being of our students.
