From: Principal's Desk

"To do anything in this world worth doing, we must not stand back shivering and thinking of the cold and danger, but jump in and scramble through as well as we can".

The above has been comprehensively proved by each and every member of Bal Bharati (ND) Parivaar for presenting such a grand show.

- It goes without saying that a programme of this magnitude requires a high degree of thoughtful planning, coordination and execution with precision, and there is no doubt there has been a flood of appreciation and praise that has poured in from all quarters, be it the Chief Guest, dignitaries of CES or the Principals attending the function. To start with the Band Tunes were in perfect sync and harmony.
- School Orchestra stole the hearts of not only the audiences but of our Chief Guest and other worthy dignitaries. My heartiest congratulations to Mr Pallavi and other members of the department. We need to work more with our Sitar strings. The rendition by the school choir by the school students was mellifluous. Some of us missed our heartbeats and the costumes for the choir further lifted the aura. Congratulations, Mr Pallavi and Ms Sumana.
- The Kerala dance of the Primary School was a stellar show ! The perfect foot tapping of the students with elan 'we are no less' kept the audience, parents and guests spell bound. Keep up the good work, Ms Nisha and Ms Vinaya Pujari. This item was the crowning glory of the Annual Day.
- The Mont Item received appreciation from one and all and especially the parent body of the Pre Primary wing. The assistance from Pre Primary teachers deserve a very sincere appreciation. We have received e-mails from the Mont. Parents, who have appreciated the item from the core of their heart.
- The 'Konkan Diaries', was an excellent presentation showcasing the theatrical as well as dancing skills of our students. The teachers handling 'Konkan Diaries' worked beautifully in their areas.
- I would like to thank in person the Stage Erection team who under the leadership of Mr Yuvraj, TGT (Art) were awake for 02 nights to give us a magnificent stage, which has become the pride of the magnificent show.
- The reason why Annual Day programmes of our school have over the years carved a niche for itself and captured the imagination of the parent audience is the creative dimensions of our thought process, which invariably builds the item structure on certain theme / message with perfect digital backdrops by the **IT Dept. of the School**. The credit team did a perfect summing up.
- The Emcees performed their task with confidence and elan.
- I will be failing in my duty, if I don't mention the very hard and timely work put in by the prop team, reception committee, the stage decorators (Art Dept. & Student Team) and other teams in their specified areas of responsibility, which contributed significantly in the grand success of the programme. All VIPs appreciated the warmth shown by the hospitality team.
- I congratulate you all and express my heartfelt gratitude to the Convenor, the Item Co-ordinators, Teachers-in-Charge, other Officers and staff for making the Annual Day programme such a grand success.
- A special mention for VPL and HMs who have become proficient at dividing up tasks and ensured in creating enthusiasm, took initiatives to make the Annual Event a huge success.
- I am indeed proud to have got an opportunity to be working as a leader of this hugely talented, committed and proud staff.

**IN CONTINUATION WITH THE TRADEMARK EXPRESSION OF APPRECIATION,
