

## REPORT ON ROAD AND TYRE SAFETY WORKSHOP

*“Safety brings first-aid to the uninjured. - F. S. Hughes”*

The workshop on road and tyre safety was organized for classes IV and V to educate participants on essential practices to enhance safety while driving. Held on 12<sup>th</sup> October 2023, at school auditorium, the workshop aimed to address various aspects crucial for safe driving experiences and safety measures to be followed while walking on the road.

❖ **The topics covered under the workshop are:**

- **Introduction to Road Safety**
  - Overview of road accident statistics and contributing factors.
  - Importance of adhering to traffic laws and regulations.
- **Tyre Maintenance and Safety**
  - Importance of proper tire inflation and tread depth.
  - Techniques for inspecting tires for wear and tear.

❖ **Following activities were conducted during the workshop:**

- **Poster Making Competition:** Held on August 25<sup>th</sup> 2023 and best 3 entries were selected. (Results attached)
- **Interactive Sessions:** Engaging discussions on road safety regulations and the significance of tire maintenance.
- **Demonstrations:** Practical demonstrations on checking tyre pressure and examining tyre conditions.
- **Case Studies:** Real-life case studies illustrating the consequences of neglecting road and tire safety measures. (Cyrus P. Mistry)
- **Quiz:** To reinforce knowledge, quiz based on the content taught during the workshop was conducted.

Resource person Mr. Parul Bhatia, from Fun-Troos Ventures LLP, and team highlighted the purpose of road safety. Traffic rules and road safety measures, such as wearing a seat belt, not using mobile phones while driving, maintaining speed limit and keeping the tyres in proper conditions were discussed with the students. Other precautionary measures like, how to use zebra crossing by the pedestrians and the expected behaviour on signal were also elucidated.

**Educate Early and Educate Right**

**Flaming the Natural Desire to Learn**

Our respected Headmistress (Primary) **Ms. Vinaya Pujari** honoured the occasion with her presence and motivated our children to become responsible citizens by following road safety rules and keeping themselves and others on the road safe. Participants and winners of the quiz and Poster Making Competition were facilitated by Ms Vinaya Pujari. Australian guest Ms.Tania Sorbello also attended the workshop and appreciated the effort of the Primary Department for educating the young minds at an early stage on such a sensitive issue.

The workshop on road and tyre safety proved to be an informative session, equipping participants with practical knowledge and strategies for safer driving practices and other road safety rules. The insights shared during the workshop are expected to contribute to a reduction in road accidents and enhance overall road safety. We recommend to conduct regular workshops in future on specific aspects of road safety to reinforce knowledge.

**Appreciation and Accolades**

**Winners - Standing out of the Crowd**

## POSTER MAKING COMPETITION ROAD & TYRE SAFETY

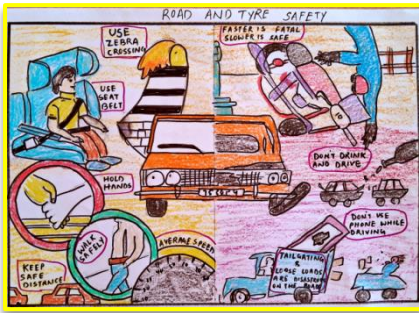

### RESULT

NAME	CLASS	POSITION
KUSUM SUBUDHI YATHARTH GUPTA	II E IV B	FIRST
AGAMYA JAIN SHREYAS AGNIHOTRI	III E II B	SECOND
TRISHA SHANDILYA SAMAIRA TANISHKA SHARMA	IV D III F V D	THIRD

# WINNING ENTRIES

**KUSUM SUBUDHI- II E**

**YATHARTH GUPTA – IV B**

**AGAMYA JAIN – III E**

**SHREYAS AGNIHOTRI – II B**

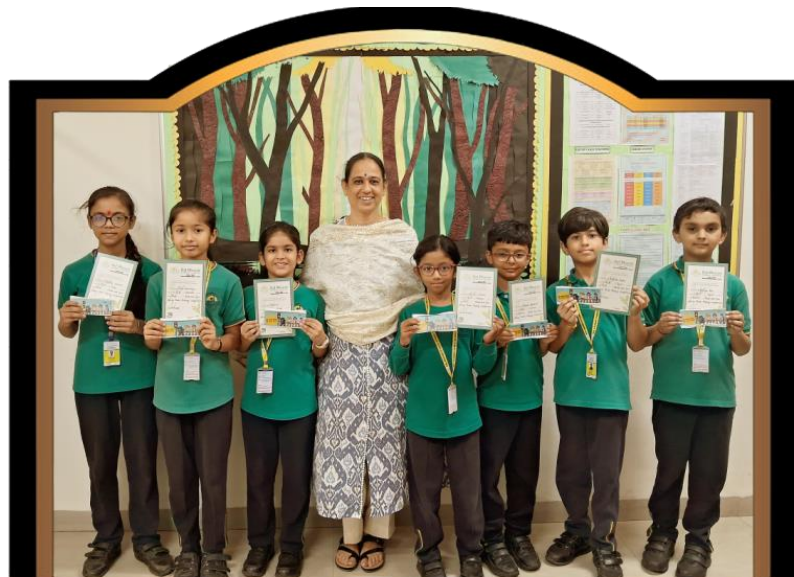

**TRISHA SHANDILYA IV D**

**SAMAIRA – III F**

**TANISHKA SHARMA  
V D**

**WINNERS OF THE COMPETITION**
