We as parents, feel proud to be associated with "Bal Bharati Public School ".We really want to appreciate you and all the Teachers / staff of the school for bringing out the best of our kids during the Cultural Fusion Fashion Show held on 16th Dec 2023.

The entire program was designed in such a spectacular manner could feel kids enjoying to be part of the same. Every child performed really well. Would like to thank you, Swati Mam and all management staff for their hard work which we parents witnessed and were truly overwhelmed.

Especially my son Himaksh Pawar (PP-F) was too shy and had stage phobia but was shocked to see my kid walking on ramp so much confidence. The transformation in his behaviour, communication skills and ability to reason and respond logically is remarkable. Himaksh's growth in just few months is astounding. Thank you Mam and all teachers for going extra mile and putting invaluable efforts in our child's journey.

Hello Mam,

It was really an unique and flamboyant experience to see all the kids enjoying to the fullest. My daughter didn't even change her dress (Hawai) the whole day. She was so happy getting dressed in a new outfit.

The only suggestion (don't take it as a complaint) which I want to give is that the teacher who is helping the kids with the dance moves should face opposite to the kids and not parallel and should stand below the stage. This is distracting the kids, as they only tend to focus on the teacher and not the audience.

Thanks and regards

Dear Principal Mam,

Greetings of the day!!

Being a happy parent, I would like to give my feedback for the events organized by school. Recently, the school arranged a Fashion Fiesta for the kids. From the decorations to the organization, management, and hosting of the event, everything was impeccably coordinated, and I'm truly impressed by it. Events like these are crucial as they contribute to the growth of children and help them build confidence on stage. The teachers provided incredible support to the newcomers, guiding them through dance moves with great patience. It was incredibly cute to witness. My child thoroughly enjoyed participating in the fashion show, and I express my gratitude to the school for organizing such events. I sincerely hope for more occasions like this to continue aiding children in building confidence. Thank you!

Dear Principal Ma'am and to all Teachers, Staff members,

Thank you for creating a safe and welcoming environment for all the students at school. Your communication, compassion, and commitment to the wellbeing of the campus community is invaluable and truly makes a difference. We appreciate your tireless efforts to improve the school and the lives of the students.

I wanted to share my experience on recent Fashion Show for Pre-Primary wing. It was a great show. Your management and effort of the students looked amazing. I am also in the same profession and personally believe that if we want our children physically fit and disciplined then this type of program should be running on regular basis.

I really want to say thanks to Anju Raghav Ma'am for putting so much of effort and getting involve with all tiny kids and making a great impact on their learning abilities. When I had admitted Annika in this school than I was worried. But now I can say that my daughter is in the safe hands.

Once again Congratulations to all the teachers and the entire team who organized such a fabulous function. It was great to see all the kids perform so well with lot of confidence. We are proud to be a part of the BBPS Family.

Regards,
