

## REPORT

### EDUCATIONAL EXCURSION TO KATHKAR FESTIVAL – AN INTERNATIONAL STORYTELLING EVENT

**Date** : 2 DECEMBER 2023  
**Venue** : SUNDER NURSERY/AZIM BAGH, DELHI  
**Attended By** : 41 students (Class IV & V) along with six staff members

A group of 41 students, accompanied by our dedicated staff, embarked on an exciting journey to Sunder Nursery for the international storytelling event, Kathakar. The purpose of this trip was to nudge our students' imaginations through stories and to expose them to stories from around the world.

The event featured global storytellers who mesmerized the audience, including our students, with their captivating narratives. The storytellers showcased their unique styles, incorporating various musical instruments such as lutes, Djembe, hyōshigi, and more, to enhance their storytelling. The blend of cultures and traditions added a new perspective to the event, creating an immersive and educational experience for our students.

The students had the opportunity to witness three distinct stories, each originating from a different part of the world. What made the event truly special was the interactive nature of the storytelling. The storytellers engaged with our students, encouraging questions and discussions, which kept everyone involved throughout the event. It was heartening to see our students actively participating and connecting with the storytellers on a personal level.

The educational trip to attend the Kathakar event at Sunder Nursery not only broadened our students' cultural horizons but also ignited their imagination and curiosity. Experiencing stories from diverse corners of the globe undoubtedly contributes to their holistic development and aligns with the objectives set forth by the NEP 2020.
