

HARIT DIWALI CAMPAIGN

REPORT

From November 1st to November 12th, the school's Environment Club coordinated an Anti-Cracker campaign. Several initiatives were implemented to raise awareness among both students and staff members. A film advocating against crackers was projected on a smart board to sensitize students towards opting for a smoke-free and eco-friendly Diwali. Students pledged their commitment to celebrate a Diwali free from noise and pollution. Digital creatives on Renewable Energy, Zero-Waste Diwali Decorations, Green Gifting, Local and Sustainable Sweets, Diwali with Electric Vehicles, Firecracker Alternatives, Upcycled Diwali DIYs, Diwali Eco-Clean Drive, Green Rangoli Art etc promoting a Green Clean Ecofriendly Diwali were shared on broadcast groups and various other social media platforms to reach a wider audience. Such initiatives encourage the schools and community to come together to create green spaces to offset the environmental impact of the fest
