## **REPORT- PARIKSHA PE CHARCHA- 2024**

***“Science is simply the word we use to describe a method of organizing our curiosity” - Tim Minchin***

Prime Minister Narendra Modi graced the seventh edition of 'Pariksha Pe Charcha' at Bharat Mandapam in New Delhi, on 29<sup>th</sup> January 2024, focusing on valuable insights for both students and parents.

It was indeed a matter of great pride an honour that our school students were invited to participate in the same and interact with the Honourable Prime Minister Shri Narendra Modi. A team of 45 students under the leadership of our school Principal Mrs. Asha Prabhakar along with three science teachers Mr. Umesh Verma, Mrs. Vidhi Oberoi and Mrs. Swati Chawla witnessed the event.

Prime Minister interacting with our students

Students of Bal Bharati Public School, Noida also presented projects, contributing to the event's diversity and educational richness.

They showcased their projects under the theme Scientific Display. Exhibition and Tech Innovations were the key highlights of the event.

- ❖ The project displayed by our students included – Jeevan Utpatty Krishi Yantra (JUKY) by Sairam Pradhan (X) and Nilesh Kumar Srivastava (X),
- ❖ Tivra Dhvani Virodhak Yantra (TDVY) by Kusharga Pant (XII) and Arya S. Bhadauriya,
- ❖ Smart Intelligent Jacket by Divyanshu Rout (VII) and Naitik Anand (VIII)
- ❖ Divya the multitasking Robot by Aryan Arya (IX) and Aarvi Wasson (VII)

The Prime Minister actively engaged in inspecting the exhibition at Bharat Mandapam, where students showcased their tech innovations. PM Modi's interaction with students during the exhibition provided a unique platform for young minds to share their innovations. This exchange likely served as an inspiration for the students, fostering a sense of encouragement and validation.

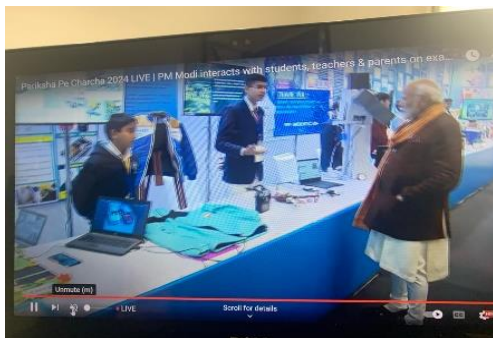

Principal Mrs. Asha Prabhakar at the event

Prime Minister Modi delivered a noteworthy message, advising parents against equating their child's report card with a visiting card. He emphasized the importance of understanding a child's unique potential beyond academic achievement.

Encouraging a healthy mindset, PM Modi suggested that students should compete with themselves rather than others. This philosophy aims to foster personal growth and development. The students' highly impressed reactions reflected the success of the event. Their enthusiasm and appreciation for the Prime Minister's insights showcased the event's impact on the younger generation. Parents, too, expressed overwhelming emotions during and after the event. The emphasis on holistic development and individual growth resonated well with the attending parents.
