

BAL SABHA ACTIVITY (2023-24)
Carol Fest: Melodies of Joy (Carol Singing)
Inter-house Activity

Christmas carols hold a unique power, transcending time to weave together tradition, joy, and the spirit of togetherness. Beyond their melodies, these songs embody stories of love, warmth, and the essence of the season. They serve as timeless messengers, fostering community, evoking nostalgia, and spreading a sense of unity and joy that binds us together in the heart of the festive season.

In a jubilant celebration of Christmas, the Primary Department of Bal Bharati Public School, Noida held a magical Carol Competition. Students from classes III to V filled our halls with the timeless melodies of the season, each performance a heartfelt tribute to tradition and unity.

The preliminary round set the stage for the unfolding spectacle, where every student offered their rendition of a Christmas carol. The selection process led to the nomination of talented individuals from each house, embodying the essence of the season through their performance.

Amidst twinkling lights and eager hearts, the final round emerged as a crescendo of emotions. The school auditorium transformed into a haven where the chosen house teams, meticulously prepared under the tutelage of their teachers poured their hearts out through their chosen carols. It was more than a competition; it was a collective celebration, an ode to the warmth and unity that Christmas embodies.

And then came the moment of truth, where the judges, entrusted with the difficult task of evaluating based on relevance to the theme, musicality, clarity, originality, and overall presentation, made their decision. Transcending mere competition, this event nurtured a sense of unity and camaraderie. Each rendition, whether from Ashoka House or Shivaji House, painted a distinct narrative of togetherness and belonging.

The results of the competition were as follows:

S.No.	House	Team members	Position
