

REVISED SCHOOL HOURS
APPLICABLE TO CLASSES X AND XI ONLY (2023-24)

Dear Parents,

We trust this communication finds you well!

After thoughtful consideration and in response to the valuable feedback and requests from parents of students (Classes XI and XII Science), the school administration has decided to implement a modification in school hours.

Commencing from April 1, 2024, Classes XI and XII (Science) will have reduced school hours to better accommodate students who are actively engaged in career-building activities, including coaching for competitive exams.

Revised Timings (Monday to Friday) : 8.50 am to 12.50 pm

This adjustment aims to provide our dedicated students with the essential time and flexibility required to effectively balance their academic commitments, ensuring they have ample opportunity to prepare for their competitive exams.

We appreciate your continued support and understanding as we strive to enhance the overall academic experience for our students.

Looking forward to your continued support.

Asha Prabhakar
