

REPORT VEERANGANA ACTIVITY

In alignment with the National Education Policy's (NEP) emphasis on Innovation in Education and Innovative Pedagogy, our Primary Department hosted a transformative event on the 26th and 27th of February, aimed at celebrating the monumental contributions of women leaders to our society. This activity was a part of our ongoing efforts to incorporate innovative educational strategies that not only enlighten but also inspire our students from Classes IV and V.

Adopting a hands-on approach to learning, our students dressed up as renowned figures such as Gunjan Saxena, Nirmala Sitharaman, Kiran Bedi, and Rani Laxmi Bai, amongst others, to delve deeper into the narratives of these trailblazing women. Through slogans, anecdotes, and heartfelt speeches, they vividly brought to life the stories of courage, resilience, and unwavering determination that these icons represent.

This pedagogical approach not only provided an engaging learning experience but also aligned with the NEP's vision of fostering an educational environment that encourages creativity, critical thinking, and a deep understanding of cultural heritage and values. It highlighted the significance of integrating real-life stories and role models into the curriculum to inspire a generation of informed, empathetic, and empowered individuals.

By embracing such innovative pedagogies, we aim to nurture not just academically proficient students but also socially conscious and responsible future leaders who are ready to contribute positively to society.

Students of Class V dressed as women leaders

Strong alone, unstoppable together
