

**E-JADUI PITARA**

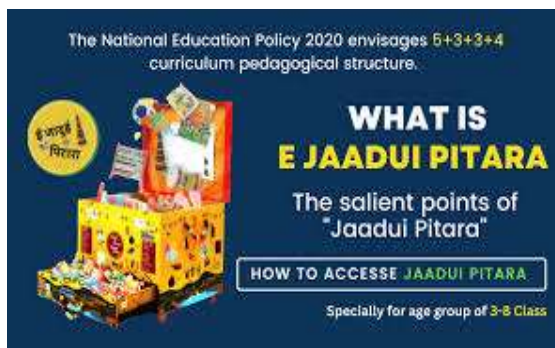

**FOUNDATIONAL STAGE (PRE SCHOOL & PRE PRIMARY)**

Dear Parents,

National Curriculum Framework (NCF) released in October 2022, is one of the main pillars of the National Education Policy 2020 (NEP). NEP defines the Foundational Stage as the most important stage that comprises five years of flexible, multilevel, play and activity-based learning for children between 3 and 8 years of age.

The core feature of NCF-FS is that children at this stage 'learn best through play'– through activities and play. Children enjoy learning in several ways - talking, listening, using toys, working with material, painting, drawing, singing, dancing, running, and jumping.

Keeping the above in mind, NCERT has developed Jaadui Pitara (Magic Box), as an exemplar of content needed in any school for the Foundational Stage. The Jaadui Pitara has toys, games, puzzles, puppets, posters, flashcards, story cards, story books, playbooks for students, and teacher handbooks. The school has procured the physical version of Jaadui Pitara to enhance the learning teaching pedagogies and bring about a substantial difference in our children's learning outcomes as the Jaadui Pitara elicits wonder, curiosity and joy among young children.

NCERT, under the aegis of the Ministry of Education, Government of India has also launched an app, Digital or e-Jaadui Pitara for teachers and parents of children in the foundational stage (age group 3-8 years). This App has three AI Bots - Katha Sakhi, Parent Tara and Teacher Tara that offers multiple possibilities and activities for teachers and parents, enabling access to a diverse range and depth of content and material contextual for the child, age-appropriate, and in a range of languages.

In order to provide stimulating experiences to the children at home as well, we request all parents to download the e-jaadui pitara app from the App Store as per the steps given below:

<u>For Android Users</u>	<u>For Apple Phone Users</u>
<ol style="list-style-type: none"> <li>1. Go to Google Play store.</li> <li>2. Type e- jaadui pitara app.</li> <li>3. Download the app.</li> </ol>	<p>Parents may access it on the website directly through the link <a href="https://ejaaduipitara.ncert.gov.in/">https://ejaaduipitara.ncert.gov.in/</a> They may also use the scan code:</p> <div style="text-align: center;">  <p>Download Mobile App for <b>e-Jaadui Pitara Today!</b></p>  </div>

An **Online Session** will be conducted on **27 April, 2024 for all the parents of PS & PP from 11.00 am to 12.00 noon** in order to help you to download the App and showcase its usage and features. The link for the online session will be shared in the class broadcast groups by the respective class teachers.
