*“Art is not what you see, but what you make others see.”- Edgar Degas*

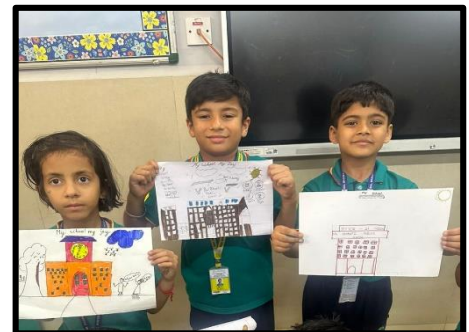

The Bal Sabha activity titled “Our School, Our Joy” was conducted on April 10, 2024 to encourage students to express their joy and pride for their school through the art of poster making.

The activity was organized for the students of classes III-V where students had the opportunity to reflect on their school experiences and translate those emotions into art. All the students eagerly participated in the activity, exhibiting creativity as they sketched and coloured on the A-4 sized sheets.

The posters well-presented students’ love for their school and a unique perspective of each child. It was mesmerizing to witness that the posters depicted various elements of school which hold significance for each child such as swimming pool, playground, lunch boxes, books, friends, teachers, classroom, trophy and much more. The posters were not just visually striking but deeply meaningful as well.

The activity was a rich experience which enhanced not just artistic and creative skills but strengthened a sense of belonging in students. The tinted sheets stood as a testimony of the fact that the school is a nurturing and safe space for the students. The activity was successful in establishing the power of art to inspire, unite and uplift.
